

# BRADLEY CHARBONNEAU – EVERY SINGLE DAY

## BEFORE

Brendan Burchard said, “You need, more than anything else, daily momentum. It’s the secret of all life happiness.”

“Secret of all life happiness?” Whoa. Sounds pretty good to me. Just a little “daily momentum”? No problem, right?

But what if you’re stuck? Maybe you’ve been trying to break through but just can’t seem to get ahead. Every day seems like groundhog day: the same disappointment as yesterday. Or worse: one step forward and two steps back. Ugh.

In his new book, “Every Single Day,” Bradley Charbonneau offers a simple prescription for building daily momentum that leads to true and, if you really, really want it, lasting and powerful change.

HOW MUCH DO YOU WANT TO CHANGE? HOW BADLY DO YOU WANT SUCCESS?

“Every Single Day” has become a practical mantra worth repeating for anyone with dreams hidden in the attic, cellar or heart. He has gathered his best work in this wonderful, conversational book. Bradley writes the way he speaks, with warmth, passion and possibility. He is living proof that a little every single day takes you a long way.” – Amazon Reviewer ★★★★★

“I love how you handle deep subjects in such a light-hearted way.” – Kay Bolden, Author ★★★★★

“If you’re ready to live your dream (as compared with simply dreaming your dream), this book will help you do it.” – L. King ★★★★★
