

MARTY C. LEE – WIND OF CHOICE

BEFORE

A winged young man bargains to rescue the gods. If he can find them...

Ahjin has always dreamed of being a skydancer like his parents, but the best day of his life quickly becomes the worst when he is assigned to be a priest instead.

Desperate to regain control of his destiny, the sixteen-year-old winged boy is left with only one chance to win back his freedom. All he has to do is to find and rescue a kidnapped god from a mysterious force powerful enough to restrain a deity.

How hard could it be?

But when the other three gods also disappear, the elements threaten to tear the world apart, and there's more at stake than Ahjin's dreams. With the help of a gilled islander, a desert explorer, and a shapeshifting healer, Ahjin races against escalating disasters to save his shattering world.

Fly, dive, and run through this enchanted story, full of twists, turns, and unexpected friendships.

AFTER

Desperate to escape his fate...

...winged Ahjin strikes a bargain with his god.

But is his freedom worth the cost?

All sixteen-year-old Ahjin wants is to be a skydancer, but the god he doesn't believe in has other plans. Assigned to be a priest, he runs away before he can be initiated.

But when his god is kidnapped and asks for help, Ahjin sees an opportunity for blackmail. In exchange for his own freedom, he'll find and rescue the god from the mysterious force that's somehow powerful enough to restrain the deity.

How hard could it be?

What Ahjin doesn't know is that all the gods have disappeared. Suddenly, there's more at stake than his own dreams. Without the gods' care, the elements will destroy the world.

Aided by the gilled islander, desert explorer, and shapeshifting healer he meets on the way, Ahjin races against escalating disasters. But can he save the world from shattering?
